

IN THE MICHIGAN COURT OF APPEALS

ORDER

Re: **People of MI v Jerry Wilson Page**
Docket No. **265114**
L.C. No. **85-035677-FC**

William C. Whitbeck, Chief Judge, acting under MCR 7.211(E)(2), orders:

The motion for reconsideration is DENIED for lack of merit since MCR 7.201(B)(3), as stated in the order, gives the Chief Judge the power to dismiss an appeal when the appellant is not pursuing it in accordance with the court rules. Even though appellant has now had over five months to cure the outstanding defects with his appeal, he has not provided this Court with anything to cure even one of them.
